

Worship Leadership Team

The Worship Team helps the church in its pursuit of God by providing transformational worship services on Sunday morning. It creates opportunities to discover God through atmosphere, drama, multimedia, music, sermon, and times to reflect. The Worship Team is the clearest avenue for celebrating what God is doing church-wide.

Pursuing God, Pursuing People

ATMOSPHERE

The worship ministry strives to create an atmosphere where people feel welcome and that reflects God's love and Holy Word. Some of the ways we achieve this goal are through greeting people at the door, providing pre-service coffee, creating directive visual displays in the foyer, and designing engaging visual displays in the sanctuary that correspond with the message. If you have a heart of hospitality or an artistic eye, we'd love to have you serve on our atmosphere team!

DRAMA

Drama is a aspect of the worship ministry that hits home the message of God in a very creative way. The drama ministry performs on Sundays as part of our regular morning service. Its main goal is to illustrate biblical truths as they occur in everyday situations through live role playing. This powerful ministry requires much personal and group preparation to make an effective product. So if standing in the spotlight is something you like to do, then the drama team is right for you!

MULTIMEDIA

The worship ministry uses multimedia to enhance our worship experience through technology. Our multimedia team consists of two groups: audio and visual. The audio group is responsible for setting up sound equipment and controlling the sound board. The visual group is responsible for setting up and running the song slides and light board. Some experience with sound and/or computer technology is not required but helpful. Audio and visual volunteers are needed on a weekly basis at Thursday night rehearsals and Sunday morning services. Come and get plugged into the multimedia team!

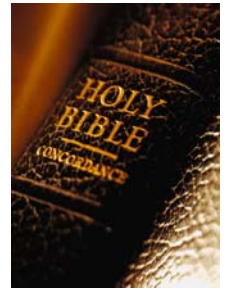

MUSIC

Music is a part of the worship ministry that is present at weekly services. Our music at BCC is a traditional/contemporary blend that utilizes vocals, keyboards, guitars, winds, strings, and percussion. This ministry offers many levels of service from our seasonal choir to our weekly praise band and vocalists. Our BCC musicians rehearse on Thursday evenings and Sunday mornings with other opportunities to play at extra evening performances. Whether you've been playing for a lifetime or you're just beginning, we welcome you to come learn and grow as a musician for the Lord!

SERMON

The worship ministry in conjunction with our senior minister, Darin Klee-man, creates sermon series that communicate specific Biblical messages. Together, we welcome the opportunity to use personal testimonies as illustrations of God's work in our lives. Keep your eyes and ears open for our next sermon series. Perhaps your personal testimony can be used to inspire and draw others closer to God!

TIMES TO REFLECT

The worship ministry strives to create engaging presentations while providing times to reflect and respond to God's word. Our times to reflect include communion, offering, invitation, and prayer. Collecting offering and preparing/serving communion are two areas that require the help of volunteers. If you're looking for ways to serve on Sundays, this is for you!
